**Draft 2012/14 Status of Water Quality Arizona's Integrated 305(b) Assessment and 303(d) Listing Report**

ADEQ has submitted the Arizona's final 303(d) List to the Environmental Protection Agency (EPA) for approval. The 2012/14 Integrated Report will supersede the 2010 Integrated Report upon EPA's approval of the 2012/14 303(d) List.

Maps depicting the Assessed and Impaired Waters are available for viewing via [ADEQ's Interactive GIS eMaps web application](#). The maps are located under "Water Quality."

The Draft 2012/14 Status of Water Quality in Arizona 305(b) Assessment Report has been divided into sections and by watershed for easier viewing and downloading.

**NOTE:** This report does not provide information about the quality of water being provided by Arizona's public drinking water systems. See [Safe Drinking Water](#) for more information.
